EDUCATION

Oct 2019 — Aug 2023

Bsc. Computer Science, Blavatnik School of Computer Science, Tel Aviv University

Algorithms - 84

Data Structures - 89

Software Project - 93

Network Data Management - 96

EMPLOYMENT HISTORY

Oct 2019 — Mar 2021

Co-founder and Manager, Jungler Fashion

As a side income during my first year I designed a brand of stocking caps and sold it online and in markets.

- -Design and create a product from scratch while negotiating with suppliers for basic materials.
- -Established and administered annual budget with effective controls to prevent overages, minimize burn rate and support sustainability objectives.
- -Identified target market and key segments through in-depth analysis of markets and related trends.

Jan 2014 — Mar 2016

Graphic Designer, Self Employed

- Designed graphics for websites, logos and promotions for marketing purposes.
- Put together videos for social media, advertising and informational purposes.
- Worked face to face with customers to present mock ups and collect information for adjustments.

PERSONAL PROJECTS

Jul 2021 — Oct 2022

PokerSini - Mobile App

As part of my self-learning and growth I've developed using Unity and released an unique Android original online-based card Game to Google's Play Store.

- Developed an online server using Photon PUN2 Engine.
- Designed Sprites and User experience characterization using Adobe Photoshop and other tools.
- Developed several bot algorithms that play the game and calculate the best move using statistic tools.

ARMY SERVICE

Mar 2015 — Mar 2018

Iron Dome Commander, IDF

- Working on tight schedule while maintaining high level of expectations and discipline.
- Training rookies to become combat IDF soldiers.
- Leading combat fighters department as the highest rank in the field.
